## JD & LLM GRADUATION APPLICATION

The following form must be submitted directly to your Dean's office. It should not be used for Certificate programs.

A completed application should be forwarded at the beginning of your final semester, but no later than the published deadlines:

**FEBRUARY 1:** for students completing degree requirements in the spring semester.

MARCH 15: for summer applicants who are eligible to "walk through."

**JULY 1:** for students completing degree requirements in the summer sessions.

**OCTOBER 1:** for students completing the degree requirements in the fall semester.

If you submit your application to your school after the posted deadlines you will be charged a \$35 late processing fee. Participation in the annual Commencement Ceremony held in May is open to students who have applied to graduate in the current spring semester or who graduated in the preceding fall semester or summer session. Doctoral candidates who have not been cleared by their school for graduation and successfully defended their dissertations by the posted ETD deadlines may not participate in either the May Commencement or Hooding ceremonies. For any details about the Commencement Ceremony held on the National Mall in May, please visit <a href="https://commencement.gwu.edu">https://commencement.gwu.edu</a> or call the Office of University Events. Each individual school handles the details of their specific ceremonies. Please direct any questions accordingly.

#### Walk Through Policy (Summer Applicants Only)

With the exception of doctoral candidates and only if there is a reasonable expectation that they will be able to obtain the needed academic credit hours during the following summer, all students, graduate or undergraduate, who need no more than 9 credit hours to complete their degree requirements may participate in the May Commencement Ceremony. The maximum of 9 credit hours is not subject to petition. Summer applicants who have 9 or fewer credit hours to complete and who wish to attend the preceding May ceremony must apply no later than March 15 and indicate their preference to "walk through" in the appropriate section on their graduation application.

#### Degree Requirements

To be recommended by the faculty for graduation, a student must meet all degree requirements, as outlined in the University Bulletin, and file an *Application for Graduation* by the published deadlines. Enrollment is required for the semester or summer session in which your degree is to be conferred. All degree requirements must be completed by the last day of final examinations for that semester or summer session. Doctoral candidates who have not been cleared by their school for graduation and successfully defended their dissertations by the posted ETD deadlines may not participate in either the May Commencement or Hooding Ceremonies.

#### Diploma Name

A student's name of record includes the first name, middle initial or full middle name, and the family name. Nicknames may not be used. The university will change the name of a currently enrolled student on its official record, but will require satisfactory evidence of a legal basis for the change. The diploma is awarded under the official name of record at the time of graduation and cannot be changed after degree awarding.

## Diploma Mailing Information

Diplomas are mailed 8-12 weeks following the date of degree conferral, barring any unforeseen circumstances. Your school is responsible for clearing you for graduation. Once the Office of the Registrar receives your clearance form, your degree will be awarded and your diploma will be ordered.

Diplomas will be mailed to the Diploma Address in our records. You are responsible for entering this address via the GWeb Information System and for making any updates should they be necessary. Instructions are included on the *Application for Graduation*. You must enter this address **BEFORE** you submit your *Application for Graduation* to the Dean's office of your school.

If you have not received your diploma 8-12 weeks after your graduation date, check your GWeb transcript to see if your degree was conferred. If it was conferred, you must report not receiving your diploma to the Graduation Services Office within six months. After that time, you will be charged for a replacement diploma. You should also check to see if you have any financial holds on your account. A diploma will only be sent if the amount of your balance is less than \$500. If your degree was not conferred, please check with your Dean's Office.

## Academic Regalia

The bookstore distributes regalia information via the Commencement website. Please visit http://commencement.gwu.edu for more information.
