

CERTIFICATION OF FINANCIAL DEPENDENCY

The Family Educational Rights and Privacy Act (FERPA) of 1974, as amended, seeks to guarantee both a student's right of access to records and the confidentiality of student information. Institutions may not disclose information contained in education records without the student's written consent except under certain conditions. A student's record may be released to parents only if one of the following conditions has been met: 1. Through the written consent of the student; or 2. By submission of evidence that the parents declared the student as a dependent on their most recent Federal Income Tax form, as defined by the Internal Revenue Code of 1986, Section 152.

Parent/Guardian Certification

This certification will allow access to the student's Financial Records, GWorld Account, and all other Education Records.

A form must be completed for each calendar year that you may wish to receive financial, GWorld account, or academic record information.
